Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Tuesday 08 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly fine with some sunshine, perhaps cloudier in the west.

Today:
A mainly fine and warm day with most seeing some some sunny spells, although western parts in particular may be cloudier at times. Light winds expected throughout. Maximum temperature 25 deg C (77 deg F).

Tonight:
Staying generally dry and warm for many, although some rural areas may see temperatures dip under clear spells, perhaps leading to the odd patch of mist and fog. Minimum temperature 5 deg C (41 deg F).

Wednesday:
Mainly fine once again, although it may become cloudier and breezier later, perhaps with isolated showers developing. Despite this, feeling warmer than on Tuesday. Maximum temperature 26 deg C (79 deg F).

Outlook for Thursday to Saturday:
Perhaps periodically on the cloudy side, but most likely mainly fine with sunny spells through this period. Temperatures may rise a little further as winds ease.
